## INTERRUPTION OF WATER SUPPLY

The Nairobi City Water and Sewerage Company Ltd. would like to inform its esteemed customers that there will be a scheduled shutdown of the **Ng'ethu Water Treatment Plant on Thursday, 15 September 2016 from 6.00am to Friday, 16 September 2016 at 6.00pm.**

The aim of the shutdown is to re-install the Gigiri Reservoir Outlet Valve which was under repair after failing and causing interruption of water supply to the City recently. This will be coupled with scheduled annual maintenance works at Ng'ethu Treatment Plant as well as on the transmission pipelines between Ng'ethu and Gigiri Reservoirs.

The scheduled maintenance work will enhance production of water ensuring effective distribution within the City and its environs.

### **During the shutdown the following areas will not receive water supply:**

- The of whole City Centre, University of Nairobi main campus, Coca Cola Factory,
- Jomo Kenyatta International Airport, EPZ-Athi river
