BOARD TOURS KARIOBANGI SEWERAGE TREATMENT WORKS

The Board of Directors led by its newly elected Chairperson, Beryl Okumu, recently toured Kariobangi Sewerage Treatment Works with the aim of gaining a better understanding of the operations.

During the visit, The Board Chairperson, said the Company's manpower is critical to the attainment of its mission and vision.

"The workforce is the most important resource that the Company has. With your support we shall ensure your welfare tops our priorities. At the moment, we are working round the clock to resolve pension matter and we are optimistic a solution will be found." She said.

Board Chairperson Beryl Okumu appreciates Chrisandus Ngaira for raising issues that requires urgent interventions to enhance efficiency at Kariobangi Sewerage Treatment Works

She also said the Board has what it takes to deliver on their mandate and lead steer the organization to greater heights.

"I have an action-oriented team and they are going to deliver as much as they can. I also want to thank them for expressing their confidence to have me as their team leader." She added.

The Ag. Managing Director Eng. Nahason Muguna thank the staff for their effort in ensuring service delivery to Nairobi residents.

"I want to sincerely thank you for your commitment in your work. As a Company we give equal attention to fresh and waste water treatment and you should not at any given moment feel you have been left out. We understand the kind of environment within which you operate." He said.

Present during the tour were Vice Chair Timothy Muriuki and Board Members: Mohamed Abdullahi, Martin Mbichire Kuruga, Emmah Mukuhi and Karen Nyamu.

Miriam Khamalla, a Chemist Officer, at Kariobangi Sewerage Treatment Works demonstrates to the Board the various methods used to analyze the waste water before and after treatment for compliance to National Environmental Management Authority (NEMA) standards.

They were accompanied by Ag. Director Human Resource & Administration Services Monica Tuli ,Ag. Technical Director Eng. Lucy Njambi, Corporate Affairs Manager Mbaruku Vyakweli, Liasion Manager James Karanja and Ag. Environment and Compliance Manager Felix Lukwa. The Board intends to visit Ruai Treatment Works, Informal Settlement Region and Ruiru Dam in the coming days

STAFF CALLED TO DOUBLE EFFORT AS THE NEW YEAR KICKS OFF

The Board of Management has urged all the staff to put in more effort in their various areas of operations to enable the utility meet and even exceed the expectations of its customers.

While presiding over the monthly prayer meeting at the Headquarters, Acting Technical Director Eng. Lucy Njambi told the staff to strive for excellence in their various fields of operations for sustenance of Company operations.

Ag. Technical Director Eng. Lucy Njambi addresses staff during the monthly prayer service at the Headquarters.

"The Company is trying to pump as much water as possible to serve the city residents. We therefore need to embrace the team spirit to ensure we collect the much needed revenue." She said.

She further called on everyone to report water bursts and leaks whenever spotted for appropriate action to be taken.

"Let us be reporting leaks and illegal water connections. We can't afford to be losing water yet the demand exceeds the supply. Every drop counts." She reiterated. She spoke during the monthly prayer service at the Headquarter .
