

## PUBLIC NOTICE

### WATER SUPPLY INTERRUPTION IN SOME PARTS OF NAIROBI CITY COUNTY

Nairobi City Water & Sewerage Company Ltd (NCWSC) will shut down water supply pipeline along Uhuru Highway due to ongoing construction of the Express way/Mombasa road starting from **6:00 am on Thursday, 17th June 2021 to Friday, 18th June 2021 at 6:00 am**. This will facilitate interconnection of the new and old water pipelines on Uhuru Highway between Museum Hill and KBC area to enable the release of the road median to the Expressway road contractor.

Areas to be affected include:

- The whole of City Centre
- Areas along Mombasa road, South B & South C areas and the neighbourhoods
- University of Nairobi main campus, Coca Cola Factory, Jomo Kenyatta International Airport, EPZ-Athi river.
- The whole of Industrial Area
- Areas along Jogoo road: City Stadium, Maringo, Bahati, Buruburu and the surrounding estates

We appeal to our customers for indulgence and also urge them to use available water sparingly as we work towards restoring the supply.

Any inconvenience is highly regretted.
