

PUBLIC NOTICE

WATER SUPPLY INTERRUPTION IN SOME PARTS OF NAIROBI CITY COUNTY

Nairobi City Water & Sewerage Company Ltd (NCWSC) will shut down water supply pipeline along Uhuru Highway due to ongoing construction of the Express Way/ Mombasa Road starting from **6:00 am on Wednesday, 27 April 2022 to Thursday, 28 April 2022 at 6:00 am.**

This will facilitate repair of a major leak on the relocated new water pipelines at Uhuru park along Uhuru Highway to enable the release of the road corridor to the Expressway road contractor. The works will also involve installing a line valve for water supply control to central business area at Uhuru Park.

Areas to be affected include:

- The whole of City Centre, Ngara, Parklands, Aga Khan Hospital, area along Limuru Road, Main Campus of The University of Nairobi including Parkland Law Campus.
- Areas along Mombasa Road, South B & South C areas and the neighborhoods
- University of Nairobi Main Campus, Coca Cola Factory, Jomo Kenyatta International Airport, EPZ Athi river.
- The whole of Industrial Area, General Services Unit and Administration Police Training Schools in Embakasi, Embakasi Village, Tassia 1 and Fedha Estate
- Areas along Jogoo Road: City Stadium, Maringo, Bahati, Buruburu and the surrounding estates

We appeal to our customers for indulgence and also urge them to use available water sparingly as we work towards restoring the supply.

Any inconvenience is highly regretted.
